

# *The Safari 25 fleet of Hampton Boats 1974 onwards*

## **Introduction**

The following list has been compiled from sighting of the Safari 25 boats on the Norfolk Broads from 1974-2017, hence some of the dates are vague, or could be a year or two in error.

Any corrections should be notified to the author Craig Slawson (craig@horning.org.uk).

The four styles of Safari 25 are as follows:

- Saf Forward control with sliding canopy, window arrangement not noted (Safari 25 Mark I or II)
- Saf1 Forward control with sliding canopy, windows in two sections (Safari 25 Mark I or II)
- Saf2 Forward control with sliding canopy, windows in a single section (Dawncraft 26)
- Saf3 Forward control with fixed canopy (Safari 25 Mark III)
- Saf4 Stern control sedan style (Safari 25 Mark IV)
- Saf4A A conversion of a Safari 25 mark VI to an open aft cockpit
